

EDUCATION & TRAINING COMMITTEE CHARTER
November 01, 2017

I. Purpose

The Education & Training Committee, subject to the jurisdiction of the Executive Committee, and in consultation with the Education & Training Activity Director, has advisory power in all matters pertaining to the Schofield Rod & Gun Club's education and training activities.

II. Goals

Provide advice and suggestion to affect Education & Training policy, enhancing our members and their guests' shooting experience in accordance with the Club's mission, vision and values.

III. Operating Guidelines

The appointed five member Education & Training Committee shall review, evaluate and make recommendations to the Education & Training Activity Director, his/her Deputy Directors and the Executive Committee concerning:

1. Integration NRA shooting safety requirements and instruction within the Range Cadre scope, to include any improvements and other shooting safety disciplines;
2. Activity policies and standard operating procedures in collaboration with the respective activity directors;
3. Instructions in NRA shooting safety and range operations courses;
4. Promotion of safe shooting and gun handling;
5. Committee meeting guidelines;
6. Resolution of activity issues;
7. Workload distribution; and
8. Internal and external communications.

Two members of the Executive Committee may serve as ex-officio in this committee.

IV. Recordkeeping

The Committee shall maintain meeting minutes and submit a copy of its minutes to the Executive Committee including any recommendations requiring Board action.

V. Authority
